## Learning at Home

The Department of Education, QLD has also provided a suite of online resources to support schools and parents/carers to maintain teaching and learning in the event of a prolonged school closure or student absence.
Learning @ Home Resources	The Department of Education has a number of online tools and resources to support students. Curriculum resources for Mathematics and English are available for students to complete at their own pace. Other resources such as advice to parents and well-being for students are also be found here. The resources provided here are a sample of activities that can be printed and are designed as a support tool for students to continue their learning and engage in familiar activities essential to their learning and wellbeing. **Please note -** Students in Prep to Year 3 may require support to read and understand instructions. **To access …** • Visit https://education.qld.gov.au/curriculum/learning-at-home for resources. • Hover over the 'Curriculum' tab then click on 'Learning @ home'. • Scroll towards the bottom of the page and click on the links to access the resources.

The Learning Place

Additional online resources are available through the Learning Place website using individual student usernames and passwords. This is the same logon (username) and password that students use to log onto the computers at school. Please contact the teacher for these details if required.

Trouble Shooting
The Learning Place website states …

"Departmental websites and applications issues with Chrome v80

Staff, students and the public using un-managed devices (e.g. non-MOE, BYOx and personal) will have issues accessing some departmental applications and websites using Google Chrome v80. The department is working with Google to resolve these browser issues introduced by the new version upgrade. Chrome v80 users will not be able to access:

- CAMS
- Learning Place resources (e.g. searching from Staff and Student sites)
- some resource links within eLearn courses and edStudios.

For CAMS, Staff and Student sites links to Learning Place resources, users should continue to use Internet Explorer 11 or Safari on Mac. Access will be available to eLearn using Chrome v80."
