Dear Parents/Carers

A Student Resource Scheme will operate at Beerwah State School in 2025, offering parents an economical alternative to the purchase of learning resources for their child throughout the school year. Under this scheme, books and resource materials are purchased by the school to secure significant savings for you through bulk purchasing power. This ensures your child has all of the resources to start the year without the hassle of you sourcing the various items yourself. **The Student Resource Scheme is separate to the booklist requirements for each year level.** Class Booklists for 2025 is also attached.

The scheme is supported by the P & C but managed by the school and operates within the policy and guidelines of the Department of Education and in accordance with section 50(2) of the Education (General Provisions) Act 2006. Department of Education encourages schools to operate a scheme as a service to parents.

Parents/carers who join the scheme are asked to pay a one-off fee so their child can access materials and resources provided by the scheme. Parents/carers who do not wish to participate in the scheme are responsible for providing their child with all the items that would otherwise be provided to the student by the scheme.

Families experiencing financial hardship should speak to administration staff about a payment plan. The purpose of the plan is to give families flexible payment arrangements that suit their budget and enable accounts to be finalised by the end of that current school year.

The provision of this scheme ensures that our students' learning is well resourced, which remains our key focus. The purpose of this scheme is to create an opportunity for every family to support the learning of their children in the most economical way. **The 2025 Student Resource Scheme Fee is \$35.00 per student and is due for payment by Friday, 24 March 2025.**

Please return the attached Student Resource Scheme Participation Form as soon as you can. We look forward to your support to ensure your child commences 2025 fully prepared and well-resourced for the academic challenges of the new school year.

Regards

Mr Scott Bowden  
Principal
